

# LED Candelabra Screw Replacement

---

## ***Specifications***

Lamp Shape: **S6**  
Base Style: **Candelabra Screw**  
Length MOL: **1.88"**  
Diameter MOD: **0.75"**  
Electrical Data: **1 Watt**  
Will operate on AC voltages  
only **at 24,28,48,60,75,120**

## ***LED Advantages***

*Up to 90% Energy Savings over  
Incandescent Lamps  
Long Life, 50,000 hrs, over 5 years!  
Reduced re-lamping labor costs  
Shock and vibration proof  
Lower operating temperature*

*360 Degree Lightoutput  
Acrylic and Metal Construction allows  
for outdoor applications  
Available in IP65 Wet Locations*

**Available in the following colors White Green Red Amber**
